National Assessment and Accreditation Council (NAAC)
Teacher's feedback on syllabus
Indicator-1.4.1; Criterion I- Curricular Aspects

A survey was conducted to gauge the feedback of the teaching staff on the current syllabus during the academic year 2021-22. It covered various aspects regarding the contents of the syllabi, such as its relevance, its length, the textbooks prescribed, emphasis on humanitarian values, etc. The survey was conducted from 01.11.2021 to 30.06.2022 in the online feedback mode. An online questionnaire was provided to teachers containing five objective-type questions and a final question asking their opinions or suggestions for the current syllabus. A total of 35 teachers from various departments participated in this survey. A graphic representation of the responses is given below.

1. Department
35 responses

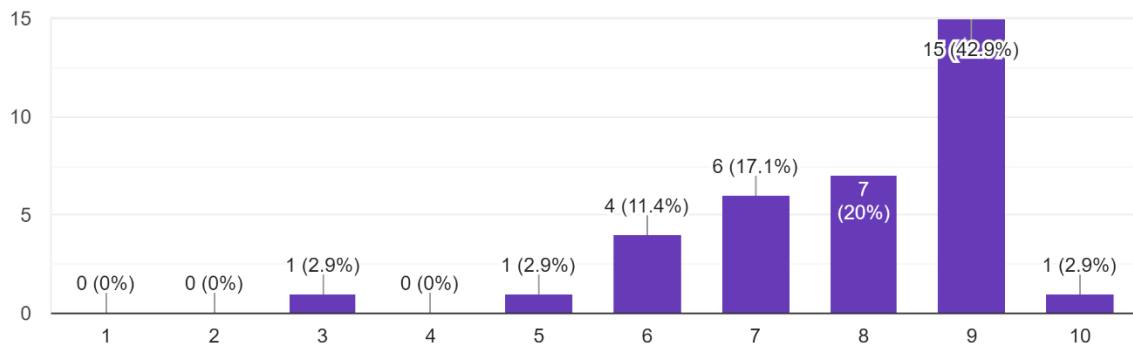

2. Designation
35 responses

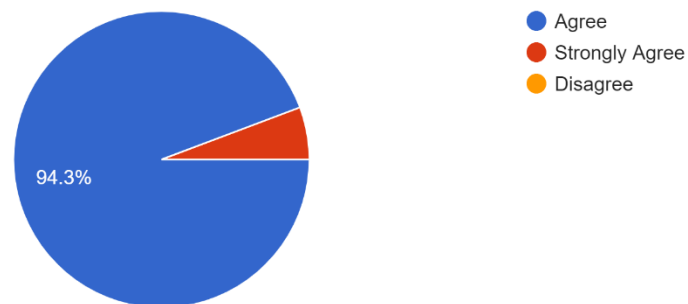

3. How would you rate your satisfaction with the syllabus on a scale of 1 to 10.

35 responses

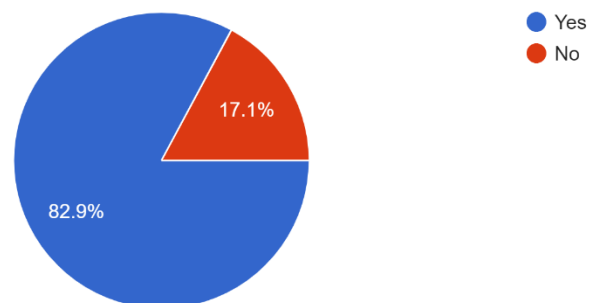

4. Do you think that the syllabus effectively addresses the relevant issues of the subject.

35 responses

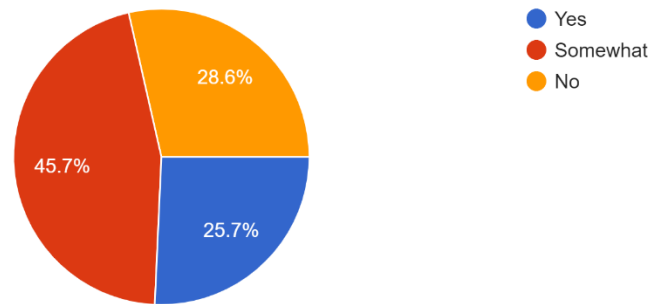

5. Are the texts which are prescribed by the syllabus adequate and apposite for teaching.

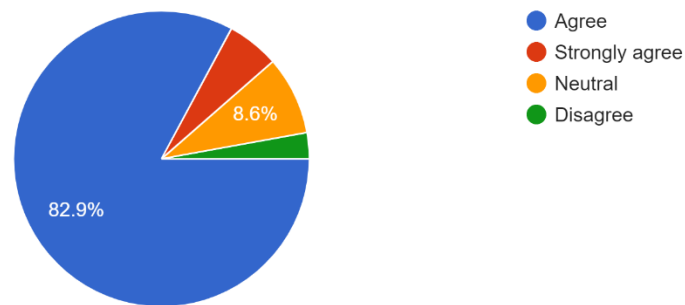

35 responses

6. Is the syllabus lengthier than it should be, considering the operation of a semester-system
35 responses

7. The current syllabus aspire to inform and educate learners on essential human values.
35 responses

Suggestions about the current syllabus:

The majority of teachers believe that the current curriculum needs to be revised. It is excessively lengthy for a semester-long course and does not stimulate in-depth study. The texts required by the curriculum for specific semesters are expensive. In some courses, advanced concepts are introduced without a prerequisite understanding of the fundamentals.

QUESTIONNAIRE
Teacher's feedback on syllabus
Academic year: 2021-22
Sipajhar College: Darrang

- How would you rate your satisfaction with the syllabus on a scale of 1 to 10?

- Do you think that the syllabus effectively addresses the relevant issues of the subject?
