Networking with the government rural libraries of Darrang District

THURSDAY, AUGUST 18, 2022

Bid to create rural libraries network in Darrang district

CORRESPONDENT

MANGALDAI Aug 17: Synchronising with National Librarians' Day and with an aim to motivate and remind the rural librarians to perform their duties and responsibilities of nation building, the Central Library of Sipajhar College organised an awareness programme among librarians of the 11 government rural libraries in Darrang district.

All the librarians of the 11 libraries joined the programme, where Dr Badan Barman, assistant professor in the Department of Library and Information Science, Gauhati University, delivered his lecture as the resource person. In his speech, Dr Barman appealed to the rural librarians to give their best in fostering quali-

ty readers.

Speaking on the occasion, Dr Nirmali Chakraborty, librarian of Sipajhar College, urged the government to undertake some schemes to attract the rural community to utilise the resources of the rural libraries. Moreover, she gave some hands-on training to the rural librarians on various technologies already in practice at the Sipajhar College library.

Dr Chakraborty also highlighted how the Central Library of Sipajhar College has been striving to create a network among the rural libraries of the district through such an awareness programme. The rural librarians also shared their problems in maintaining the libraries while interacting with the organisers of the programme, a press release stated.
