NAAC team visits Sipajhar College

CORRESPONDENT

MANGALDAI, July 3: A peer team of the National Assessment and Accreditation Council (NAAC) headed by Prof Dr Venkatachalapthy, vice chancellor of Karpagam Academy of Higher Education, visited Sipajhar College for a two-day programme a few days back.

Prof Dr Jagannath Lenka of the Department of Economics, North Orissa University, and Dr Manali Londhe, principal of SK Somaiyya College, Mumbai, were the other members of the team.

According to a press release issued by the principal of the college Dr Pradip Chandra Deka on Friday, the peer team scrutinised and verified all the documents related to the qualitative matrices of the seven criteria.

The peer team visited 11 of the 13 departments and all other facilities of the college and the members were satisfied with the authenticity of the documents provided during the data verification and the validation process undergone by the college preceding the peer team's visit.

The peer team appreciated the cooperation and hospitality extended by the college fraternity. They were also highly appreciative of the cultural performance put up by the students of the college and the wholehearted involvement of the public of Sipajhar in the overall development of the institution.
