Plantation Drive Competition

for the betterment of society

Organized by

Environment and Climate Cell & College Eco Club, Sipajhar College

(In association with Department of Chemistry & IQAC, Sipajhar College)

For Celebrating

WORLD ENVIRONMENT DAY, 2021

"Ecosystem Restoration"

About the competition-

1. Participants have to identify atleast 5 locally available Air Purifying plants and plant them in campus accordingly.
2. They have to send the photographs of all plants after plantation.
3. The participants must take care of the planted trees and after every 15 days they have to send regular report on growth of the planted trees in the form of photographs.
4. Plant varieties, growth, their environmental impact and plantation location will be the deciding factors during evaluation process.
5. School/College name and detailed residential address of the Participant should be send to the following contacts below.
6. Prizes will be declared on inspection after 3 or 4 months duration.

Prizes:

1st: INR 2000/-

2nd: INR 1500/-

3rd: INR 1000/-

Important: Date of first submission- on or before 5th June, 2021

Submit the photographs to

E-mail ID:

Or via Whatsapp No: 8638081997, 8822527625, 7002286146

Advisor

Dr. Pradip Ch. Deka, Principal, Sipajhar College

Coordinators

1. Dr. Aswini Kalita, HoD (Dept. of Chemistry) & Coordinator, Environment and Climate Cell, Sipajhar College

2. Dr. Pankaj Gogoi, Coordinator, Environment and Climate Cell, Department of Chemistry, Sipajhar College

Organizing Secretary

Mr. Lakhminandan Goswami, Asst. Prof., Department of Chemistry, Sipajhar College

Supported by

Assam Science Technology and Environment Council, Dept. of Science & Technology, Govt. of Assam

Co-sponsored by

Ministry of Environment Forest & Climate Change, Govt. of India

It is our immense pleasure to share some of the photographs of today's plantation drive competition that is organized by Environment & Climate Cell, Sipajhar College; College Eco Club, Sipajhar College in association with Department of Chemistry and IQAC, Sipajhar College for celebrating 'World Environment Day, 2021'.

Around 250 plants have been planted so far by the students of Sipajhar College and Mangaldai College. Along with that, Sipajhar College Student Union (SCSU), Sipajhar College Teachers Unit (SCTU) and College Office staff have also planted some valuable plants in college campus on the occasion of Environment Day, 2021. Hope these 250 saplings will have a great impact on nature in near future..

Let the peace of nature flow in our life on World Environment Day and always.. Thank you everyone for your support and participation.

With Regards,

Advisor

Dr. Pradip Ch. Deka, Principal, Sipajhar College.
